Dear Club,

While I discovered I was bi-sexual a few years ago, I've still stayed with my boyfriend Rob and tend to use women for the more wanton aspects of my sex-drive. He's happy with this, as he often gets a couple of women sucking his dick at once – a compromise he's happy to make! Nonetheless, he is a little strait-laced in public and I've got to keep a few things from him.

Alice is the latest girl I've been messing about with, and we're like a couple of teenagers when we get together. We'd been having a girlie afternoon in and out of the shops on a Tuesday afternoon, and had then decided to get a bottle of wine and sit out in the park. Alice was being loud and mischievous and talking dirty in my ear as people passed by, giving us a few funny looks. They really stared as Alice nuzzled at my neck, and pretended to mount me on the bench saying loudly, "I love a good woman," and giggling naughtily. I was getting a little tipsy and could feel myself getting aroused.

"I need something now," I suddenly pleaded into Alice's ear. She was always up for it and grabbed our bags and me by the hand, leading us behind the hedge to a more secluded bit of lawn. "Lucky you're wearing a skirt," she noted, as I was pushed back onto the recently mown lawn. As my panties were yanked towards my ankles, my bum was tickled gently by the blades of grass. This felt great, and as Alice smoothed my thighs apart with her palms, I gasped at the sensation of the breeze on my exposed hole.

Alice's manicured hands flicked at my clit, before opening my glistening lips. Licking at each in turn, she then spread them further using more fingers and entered me with her tongue, her head to the side. Lashing her tongue sideways, with her lips pressed against my pussy lips, my cunt became soaked with her saliva as it seemed she had all of me in her mouth.

My clit pulsed with anticipation as she dragged her mouth up through my drenched hole and began to curl the tip of her tongue rhythmically against my button. Alice pressed hard against my clit and built up a more insistent rhythm.

I was gently pulling her long hair towards me, keeping her right where she needed to be, when my mobile went. It was Rob trying to get through. "Answer it," Alice insisted, barely taking a breath before clamping her

FRENCH FANCIES!

Dear Club,

May I give you some appreciations about three guests in *Club* 43.04 I've just read in France: Blonde goddess Lola is gorgeous, she's so sexy glam with her tight white dress with black lace deco... oh her body! Her glorious little tits and her superb cunt... she deserves total worship!

Glad to find in your pages the stunning brunette Shyla, she's the queen of sweet tenderness and carnal madness. I do love her little bush so tempting to be licked... for me she's the woman with her terrifically sexy black lace cloth. I'll be happy to offer her the hard balls she gives me each time I see her pics!

Top of the top: Zara, woohoo! What a blonde lesbian discovery! How do I want to lick her fine lips, her glam boobs and her

pink treasure between her fishnet legs. Even if she doesn't want to rub her tender skin to a man one, I would greatly appreciate to see her playing with another chick! Please call her back for another photoset, she's worth it! All my thanks to the editorial team: Keep going in this new talent discovery way! And if you find some French or Mediterranean chicks, do not hesitate to present them!

Giorgio, Paris

Merci, Giorgio. We agree, all three girls are keepers and we've passed your appreciation on to them. As for French girls – yes, we should have more of those in Club, but it has gone a bit quiet on the Gallic girl tip recently. Our scouts are donning Breton shirts and climbing on their bicycles now to find a fresh batch...

FOX ROCKS COCKS!

Dear Club,

Aidra Fox must be the discovery of the year. In an issue that had Connie and Sophia in – two of my favourite girls ever – I reserved an extra large dose of spunk for Aidra. She does look a bit like Minnie Driver by way of Sophie Ellis Bextor, but both of those are very good things. Let's see more of her soon!

Keith, Shropshire

We were stunned by Aidra's pictures too. A bit of research turns up a few porn films she's recently made, and fine they are too. But you have asked, and we have responded – expect another appearance from Aidra next issue!

mouth over my pussy again. "Hi Rob," my voice fluttered. "How are you girls enjoying your day?" he cheerfully enquired as I bit down hard on my lower lip, due to Alice's three fingers stretching my twat wide. She pumped my hole with her hand, expertly frigging me with her tongue, as I had Rob chatting amiably in one ear and the sound of a conversation on the bench in the other. Feeling the warmth fill what seemed like the entire lower part of my body, I cut Rob off without warning, and gripping fistfuls of her hair fucked Alice's face, growling, "You naughty fucking bitch, I'll give you what you want!"

Alice clamped her hand over my mouth, sucking at my rigid nipples whilst my orgasm subsided, aware that everyone could hear but still wanting me to enjoy it. Recovering, I joked, "Don't get all shy on me now," She replied, "Oh, I'm fine, but I think you better call Rob back," and then fell about laughing, as I nervously reached for the mobile!

Wheely hot...

To feature in the august pages of *Club International*, a girl has to look fuckable. I mean, that's a given.

But Jenny? She looks so, so fuckable it makes us ache. There isn't a bit of her body that doesn't look like it would be huge fun to rub your cock against. She's the kind of girl that gets you blowing your load and then has you hard again in seconds. And then again, and again...

Of course, while we'd happily rub our dicks on her feet, we don't think we'd be truly in heaven until we'd sampled that perfect arse. It might look tight, but we reckon it would suck in our cocks, our balls and then our entire bodies. Ready when you are, Jenny... ♣

Natural norkage...

We're sure there won't be any sharp intake of breath when we tell you that we like boobs. Big fake ones, small pert ones, we like 'em all. But we frickin' love Cassidy's all-natural pair. A serious boob crush.

"Thanks guys," blushes Cassidy. "I'm a little shy about them, which is why they aren't tanned at the moment. Do you think I should go topless in my garden?"

Well, we like 'em as they are. But, yes, we think you should go topless. We've just bought the house next door... ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

FRUITY FUN!

My girlfriend Natalie adores being botted. Anal play is a must for her. So much so that she often refuses to have any other kind of penetrative sex. This suits me fine, as I am partial to a bit of arse-play. In fact I am still enjoying the novelty of the warm welcome my prick always receives at her rear entrance. Most of my previous girlfriends have been prudish and unreasonable about botting, proclaiming it to be a deviant practice.

As it is the thing that excites her most, I am always more than happy to indulge her. It may seem to others that Natalie's preference for anal would lead to a repetitive and somewhat boring sex life. However, I have risen to the challenge, and with a judicious combination of imagination and lusty physical prowess have perfected many ingenious ways to enhance our pleasure.

Although she loves to feel my full seven inches up her arsehole, she also enjoys giving and receiving oral sex. Incorporating this aspect of lovemaking into our nightly arse-fucking sessions certainly livens things up. Nati is a fabulous cocksucker and exults in giving head. On the occasions when she allows me to splash onto her face or down the back of her throat, I have to first insert a vibrating butt-plug into her rectum.

Lately we have incorporated vegetables and other food stuffs into our toy box. I have pared and formed many different shapes and sizes of dildo and butt-plug out of carrots, cucumbers and so forth for Nati's anal pleasure. This said, we have been extra-careful about which items we push inside her since hearing the salutary tale about the guy admitted to hospital with an apple stuck up his rectum!

The Saturday before last, Nati wanted to experiment with some home-made anal-

beads. She suggested that we thread some string through several grapes and insert them into her bumhole. It was the first time that we used fruit for this purpose, having previously used only the large plastic anal-beads that we bought from a sex shop.

In the end Nati strung 10 grapes together saying rather defiantly that she wanted to feel her hole really stretched to the limit. I was not sure if I could squeeze them all inside her, but I was game to try. The plan was

that I would lube her up with some KY jelly, then give her a good rogering up the back passage to loosen her. My spunk would serve as extra lubrication and so help to ease the grapes inside her.

Nati got into position on the bed – kneeling with her legs spread wide, her face buried in a heap of pillows which she gripped with both hands. She dipped the small of her back, thrusting out her beautifully rounded buttocks and exposing her shaven genitalia and

muscles gripped the base of my shaft and the warm satin-like interior of her rectum enveloped the stem and head.

It felt fantastic, and I pumped her hole vigorously, holding onto her bucking hips as she plunged and pitched under me. The seed was welling up in my balls as I felt her muscles contract, and she screamed out passionately as she came. Unable to hold back any longer, I blasted my hot load deep inside her, enjoying the tight restrictive feeling of her strong rectal muscles as they gripped my manhood.

I had just withdrawn my flaccid cock when Nati handed me the fruity anal-beads. I coated the first grape with some semen that was slowly oozing from Nati's ring. After the fucking her sphincter had just had, it stretched easily, and I watched with satisfaction as the small fruit disappeared inside her. The rest went in easily enough and the short piece of string that dangled from her bumhole was all that remained outside.

“Anal play is a must for Natalie. So much so that she often refuses any other kind of penetrative sex”

anus. I lovingly ran my hand down her back, caressing her soft skin, and smiling as I felt her body quiver in anticipation.

Squeezing some lube out of the tube onto her proffered arsehole, I gently circled her pink ring with my finger, working the viscous gel into her puckered rosebud until it gave way and my finger slid in gently. She moaned softly, so reaching between her legs I began to frig her pussy as I fingered her hole.

I could feel Nati's fingers pushing in and out of her pussy through the thin membrane dividing her loveholes. By now she was so worked up that her breath was coming in sharp little gasps and she frigged herself to orgasm as my finger skewered her hole. Feeling intuitively that this was the right time, I withdrew my finger and nudged my cock against her lubricated ring. I wasn't wrong.

“Arse-fuck me, Michael,” she begged; and I did. Gripping her hips, I prodded her lubed ring with my rock-hard penis. Her sphincter gave way with a slight but audible pop and I plunged my cock inside her. Her strong anal

Nati turned around and lay with her upper body propped up by some pillows, her knees bent and her feet wide apart. I watched as she frigged herself furiously while I held the string taut, waiting for the optimum moment to pull the beads out. Her tits jiggled and her pussy contracted and convulsed as she plunged her fingers in and out of her cunt. I heard her catch her breath sharply as I pulled on the string. Her anus bulged slightly as her sphincter stretched and the first grape popped out. Nati came, her pussy contracting so powerfully that she was squirting pussy juice as I pulled each grape individually from her ring.

Michael, County Cork.

GENERATION GAMES!

My boyfriend, Mike, is a rugby fanatic, which is probably the reason he caught my eye. I went all gooey when he flexed all those wonderful muscles as he offered to buy me a drink. However, what attracted me in the first place soon caused problems as he spent

"Mike and I had an argument."

"I know," Paul admitted. "He phoned me last night and asked for some advice."

"What did you say?"

"Honestly?"

"I told him that if I was in his shoes I'd be fucking you morning, noon and night." I didn't know what to say to that, so kept quiet. "Sorry if I offended you. You did ask," Paul said, sounding worried as he apologised.

"I'm not offended. It's just that you're my boss and kind-of my father-in-law. I'm not sure what to say."

"Oh, God. You're not going to marry him are you?"

what little time he wasn't playing or practicing his rugby skills in the gym strengthening his core. He was too tired to perform his duties when it came to his bedroom exercises with me, which was why I started doing something that I never thought I'd do – cheating. The cheating surprised me in every way but it'll surprise Mike more if he ever finds out as the man I'm cheating on him with is his father.

I was working for a temping agency and it was a pleasant surprise when Mike's dad arranged for me to work in his office. After three months, Paul was so pleased with my performance that he paid the recruiting fee and took me onto his staff. We worked well together and got on like a house on fire – perhaps too well as Paul filed for divorce.

"It's not about you," Paul said, when I asked the obvious question. "But the thing is, I shouldn't be thinking about you the way I'm thinking about you if I was truly happy in my marriage."

"Why? How are you thinking about me?"

"I can't answer that," he said. "It wouldn't be fair on you or Mike." Things went very weird as Paul's comment was something that I became increasingly obsessed about, particularly as my sex life with Mike dried up entirely as he prepared for the new rugby season. As I lay in bed one night, I realised that my boyfriend hadn't made me climax in over a month. I would hardly consider myself to be a slut for wanting satisfying sex more than once a month but that was the way Mike made me feel when I confronted him about it.

"Are you OK?" Paul asked at work the next day.

"Would that be so bad?"

"Sorry, I didn't mean it like that. For you, I meant. It'd be a waste." Paul looked at me sternly. "You're too good for him."

"Thanks," I said.

"He loves his rugby more than you and he always will." I already knew that truth but it still hurt to hear someone else say the words.

I asked, squeezing the hungry lump in the front of his trousers.

"Why don't you show me what I've been dreaming about?" Paul retorted. I flushed hotly as I decided to show Paul my body.

"OK," I said, unzipping my skirt and allowing it to slide down my legs to reveal my girly panties. I'd always preferred comfortable boy-shorts to thongs and it was clear that Paul appreciated the choice.

"You look pretty in pink," he said.

"I'm pink underneath as well," I said, feeling the excitement rise as I revealed that my pussy was completely smooth, with only the neat groove of my slit disturbing the blank canvas of skin. Paul groaned happily and movement made me look down. He was stroking his cock, tugging the foreskin back and forth over the crown.

massaging my entire bottom with oils and by the time he came to stick his cock inside my bum, I had absolutely surrendered to the fantasy of letting him fuck my arse.

"Does it hurt?" Paul asked as the fattest part of his cock penetrated my bum. I nodded once, although I was also smiling. "Oh dear," he sighed, as he forced another couple of inches through my reluctant hole. "I've always wanted to have sex with you, Pippa, really dirty sex." It was the first time Paul had called me anything other than Philippa and the intimacy of it made me giggle as he pushed his cock deep into my bottom-hole.

"Nice dirty sex?" I asked.

"Mmmm. Very nice. I love your bottom," he said.

"I might be able to say the same if you showed me yours."

"Not likely," he said, laughing. He grunted as he fully buried his cock for the first time, making me gasp as I savoured a moment of delicious abandonment. "My dirty little angel," Paul said, looking down as I shamelessly rubbed my pussy, concentrating more and more of my efforts on my clitoris as my pleasure built. "Are you going to cum for me?" Paul whispered.

"Yes," I sighed.

"Then do it. Let me feel it. Don't say a thing; just masturbate for me while I fuck your naughty little bottom." Mike never talked during sex and I was surprised that his father was so good at it. "I want to feel your orgasm before I spunk up your bum." I gasped as the filthy words fired my imagination and overcame the last of my sense of decency. My mouth came open as my fingers took me past the point of no return and a pained cry filled the room as my back arched.

"It feels so good with your cock in my arse," I mumbled, as I masturbated through the first orgasm and tried to catch the waves of another.

"It'll feel even better with my spunk up there," Paul replied. It felt amazing as I frantically masturbated while Paul used urgent, short strokes to reach his own orgasm. Pleasure screwed-up his face as he came and I took myself over the edge into my second orgasm, knowing that his cock was spunking up my back passage. The sexual dissatisfaction was blown away in that instant as was a months' worth of frustration.

"I needed that," I said, and what's more, I knew that I'd be needing it again.

Philippa, Birmingham ♣

“By the time he came to stick his cock inside my bum I'd surrendered to the idea of letting him”

Paul pulled me into a hug as I started crying. "If it makes you feel any better, I'm not getting any either." The intimacy of that conversation set our affair in motion, an affair which I didn't want to happen but equally an affair which I didn't seem able to stop. It just made sense somehow. We both wanted sex and knew that neither of us was getting it.

"What do you think?" Paul asked, after he'd kissed me for the first time.

"I think I want to fuck you." Paul pressed his body against mine and it was obvious that he wanted to fuck me too.

"Do you think you'd ever let me...?"

"Yes," I answered, interrupting the question he was going to ask with the one I wanted to answer. "I've been thinking about it for weeks." There was no point denying it. As Paul's hard cock wedged into my belly, it started my imagination working. What would it feel like to let Paul fuck me? Not the physical feelings of his cock pushing into my body, as I knew how desperately I wanted to feel that, but rather the emotional charge of cheating. A rational thought motivated me to do it. Paul was the one person I could trust to cheat. He was the only person who had more to lose than me. If we were discovered, I'd lose a bad boyfriend; Paul was risking losing his son, having already lost his wife. "Why don't you show me what I've been thinking about?"

"That's pretty impressive," I admitted.

"So, are you going to let me fuck you?"

"Yes," I replied, gasping with anticipation. I was more than ready and Paul's cock was bouncing with eagerness. I lifted my legs and opened them, showing him absolutely everything, making me completely vulnerable to him.

"You are an eager little thing," Paul said, playing the tip of his cock over my slippery pussy. "I'm thinking that you're a really naughty girl. Say it."

"I'm a really naughty girl," I parroted.

"Well, really naughty girls take it up the arse." I felt uneasy as Paul slipped his cock down so that the head was touching my anus. "Is that what you want from me?" I asked.

"Anal sex?"

"Yes," Paul replied. I managed a smile as I tried to get my head around the situation. It seemed cruel that I'd finally got a hard cock between my legs and its owner wanted to stick it up my arse, rather than fuck me normally. "It's what naughty girls like you deserve." It made sense to me, although the thought made me feel slightly sick.

"OK," I said, not really knowing what I was getting myself into. Was Paul just going to try and stick his cock straight into my bottom? Fortunately, he was much more considerate than that. He spent an absolute age

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Ah, the sweet English rose that is Kelly Brook. A lad's mag favourite before they all imploded. An unfairly maligned stint on *The Big Breakfast*, as if presenting a dreadful breakfast zoo TV show was somehow a mark of your worth. But what we can say is that Kelly is only ever in shit films. Sorry, love, it's true. You are the only reason for watching anything you're in, because you're lovely. If you think we're lining up to see *Piranha 3D* or *Survival Island* for any reason other than your cracking face, amazing tits and smashing bum, think again! ♣

Opening Lilly's petals...

Ryan is a familiar face around here now, so she thought it was time she introduced us to one of her 'special' friends.

We're sure you'll agree that Lilly is pretty special as well. Cute as they come, and horny as hell.

"Well, being around Ryan with nothing on makes me so, so horny," she says.

We know the feeling.

"I just want to lie on my back while she explores me with her tongue."

We know that one too.

"Lucky for you guys that my tongue never gets tired," giggles Ryan, before setting off to touch every nook and cranny of Lilly with said tongue. Ryan, got any more nice friends? ♣

RYAN & LILLY 

What our well-placed moles are telling us this month...

DOWN THE WIRE

Napalm Nappy!

There was more in one toddler's nappy bag than baby wipes and talcum powder. A 17-month-old girl was seen strutting her stuff at Beebe Plain daycare, Vermont, with a loaded handgun before the daycare owner informed the Vermont Department for Children and Families.

The Grandmother of the child had been in a hurry when leaving the house and placed the handgun in the child's diaper bag, forgetting to remove it before dropping her granddaughter off. We always make sure we're packing heat when we go to daycare...

Like a baby's bum, it's always lucky when it doesn't go off.

Police Academy!

Surely, on the first day of police training, they inform the up-and-coming arms of the law that prostitution isn't legal? Well, this guy clearly wasn't listening. Vahak Mardikian, 48, of the Glendale Police Department, was arrested and detained for attempting to procure sexual services from a undercover cop posing as a prostitute at the Flamingo Casino. Mardikian had made plans to solicit anal sex in exchange for \$250 and gas money. Looks like they got this fella bang to rights.

Dough!

Too many clichés sprung to mind when we heard this in the office. A local anti-crime event hosted by police turned into a gem of an evening for them but not such a good night for Bradley Hardison, 24, of Elizabeth Town. Hardison downed eight doughnuts in two minutes, beating two police officers and winning the eating competition, but it wasn't heartburn that ruined his night. The local Sheriff's Lieutenant Max Robeson recognized Hardison, who had been wanted in connection with a spate of robberies for over nine months. Robeson rather sportingly congratulated Hardison on his win before arresting him.

The Cheeks Of It!

Do you remember the glow in your cheeks after your mum found your stash of porno mags under your mattress or in your wardrobe? Well, take a few seconds to feel sorry for this poor lad whose mum went the extra mile and called the police.

A mother in South Carolina dialed 911 after her 2-year-old turned on their T.V, which was tuned to a porn channel at the time. The mother states that her 15-year-old son was upstairs in his bedroom when the rest of the family came home and she also "requested a report be done to document... her son's behaviour". Like us the police were puzzled and no charges were brought. ♣

TEENAGE LICKS

...all through the night!

Our latest Teenage Licker is Alexis, a 19-year-old from Sacramento, California, who takes her licking very seriously.

"Sorry guys, I'm a lesbian," she says, "I'm strictly all about the pussy and the tits."

No apology necessary, we like those things too.

"Oh, okay. I thought you'd be offended that I wasn't into dick. Maybe later. Right now I'm at college and there's pussy everywhere!" ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

CLAM-CAM!

We regularly read your magazine, and my boyfriend has taken loads of pictures of me in similar poses to your models. Now we've taken it a step further and bought a video camera as well.

The first thing Craig filmed was me stripping slowly and acting sexy, until I was naked and rubbing my tits. After playing it back, we knew we wanted to see more, and next time his dick was in shot as I held it firmly and licked the tip with my tongue, fixing my eyes straight at the camera lens.

Watching myself give a blowjob turned me on so much that we spent the next week getting hours of film of me taking his dick from every angle possible.

The other Friday night, Craig returned from the pub, a little drunk, with his mate Andy. As I sat in my dressing gown chatting, he soon steered the conversation round to our videos and Andy instantly took an interest, saying that he wished his girlfriend were into it. I don't know how it happened, but soon we were all watching one together!

Andy kept glancing over at me, as he watched me suck Craig's dick on the screen and finally said, "I wish that was me." They had obviously set this up, as Craig nodded

his approval to me and soon I was on my knees in front of Andy, slurping at his shaft. Knowing that Craig then had the camera trained on me, I ran my tongue down the whole length, and took his balls into my mouth. He had a big cock, and I imagined my mouth wide open on film as I then deep-throated him.

Andy removed himself from my mouth and, pushing me back on the couch, dragged my knickers off as I lay back willingly. Feeding his meat into me, he began to pump away at my cunt for all he was worth, as Craig came in for a close up. I pushed the camera back so he could get a full shot of me grinding my hips hard against his friend, whilst I played with my tits. This was even better than before, and as soon as Andy was ready to cum, I pulled him out and tossed him off over my neatly trimmed pussy, rubbing his spunk into my skin with my free hand.

Next it was Andy's turn to hold the camera

been a real good boy that year, because she said yes, and those two fleshy friends of hers bobbed their agreement, too.

We got back to mine, and I decided to be honest. I sat down and told her she was the horniest thing I'd ever seen. She giggled, said she found my honesty refreshing, and slipped out of her T-shirt.

I undid her lacy bra with one hand. Release the beasts! Jesus, this woman was divine – the fullest breasts I'd ever encountered, and they hardly dropped a centimetre when her bra came off. I leaned her back against the sofa to appreciate those perfect hemispheres. The nipples were great – not too big, nice and dark. I bent my head down and lightly flicked my tongue across each nipple. They sprang to erectness almost instantly, and looked straight at me.

Taking a boob in each hand, I kissed my new friend full on the mouth. Her tits were amazingly firm, and had just the right amount

“I ran my tongue down the whole length of his cock and took his balls into my mouth”

and Craig had certainly been building up loads of jizz for me, which was all captured on film as it rained down on me. I think we went through a whole tape on that night. Now we're building up a right library with Andy's help. Aren't I the lucky one?

Fiona, Chesterfield

HOOTER SHOOTER!

Call me old-fashioned, but tits, for me, have to be huge. My last girlfriend had a beautiful pair of 36DDs – I was sad when that relationship ended. But even they don't compare to those on the stunner I hooked up with this weekend.

I noticed her while she was jogging laps in the park. Hell, everybody noticed her. Bouncy bouncy bouncy. I sat down and enjoyed the view. On her third time past me, I told her that she had to be thirsty by now, and would she like to come on over to my place for a drink? Well, I must have

of give beneath my fingers. As she squirmed on the couch, I knew she was getting hot. I lightly ran my fingernails over her nubs, eliciting a long sigh. My aching cock was demanding to be released, and she happily obliged.

Bending down, I took a nipple in my mouth and sucked – it was hard as a bullet. I knew what I wanted, to tit-fuck her, to slide my cock in between those mighty melons and cum in her mouth. I gently pressed her back onto the couch until she was horizontal, then set to licking her titties all over – paying special attention to the cleavage. By holding her breasts together, she created the most inviting ravine for my cock to plunge into.

Oh man, my first thrust into that breasty heaven was incredible! When she licked my helmet as it came out the other side I thought I was going to come right there and then. I held back, and started pumping faster, enjoying the frictionless feel of my cock sliding into her slippery breasts.

She was holding her breasts together with one arm now and playing with herself with the other. I snatched a look behind me, boy was it a pretty sight; her fingers all shiny with her own juices, pumping in and out of her sopping hole like a miniature cock.

She was still licking me at the top of each stroke as she furiously masturbated herself and I exploded, spurting in her mouth, my biggest load ever. She swallowed most of it, apart from a little dribble that ran down her chin and onto one of those voluptuous mounds. It's an image that'll stay with me to my deathbed.

RUN, RABBIT!

I know your Talkin' Blue letters are usually about girls who've fucked girls, girls who've fucked guys and girls together or girls who've fucked at work, but mine's a bit different.

There's only one person on this planet who can guarantee me a fist full of pussy juice and that's me and my fist full of fives. I'm a self-confessed wank addict and have no desire to quit, no matter how much trouble I get into!

I was always a bit shy about my body, even though I'm pretty cute and a perfect size 8. My boobs had a well-needed growth spurt just before I turned 20 and now they're just big enough to wrap round a nice, juicy cock – or vibrator!

I think it was always my auburn hair and my easily blushable cheeks that kept me out of the limelight. Luckily, I now realise that's

my fingers in the bubbles and they soon found their way to my pussy. My juice and the warm water swirled around as I begun to rub and gently pinch my clit, which had swelled up in anticipation.

Careful not to cum and spoil the main event, I pulled myself out of the bath and headed for my bedroom. There it was, my Rabbit, all ready for me. I gingerly sat on the edge of the bed and switched it on. The vibrations hummed though my hand and I lay back on the bed, a dirty grin spreading across my face.

Biting my bottom lip half in fear, half in anticipation, I took the base of the rabbit and slowly pushed the cock bit against my thigh. The vibrations tickled my senses and I bravely moved up until the ears were either side of my clit. The feeling was so intense I

“I started pumping faster, enjoying the feel of my cock sliding into her slippery breasts”

exactly what drives you guys crazy and I've grown to love every inch of my gorgeous, sexy body.

My love affair with sex toys started at a mate's 23rd birthday when a few of us girls threw an Ann Summers party for her. As soon as I clapped my eyes on that Rampant Rabbit, I knew my life was about to change for the better. The host was a slightly older, very experienced woman, who just kept going on about how good it was. In fact, just watching her confidently handle all these sexy toys and underwear made my mind race with dirty thoughts and feelings. Her thick, pitch-black hair fell forward over her face as she bent down to grab more toys and her scarlet nails worked and stroked the big, fat dildos with real expertise and experience.

As she showed us the Rabbit's functions I could feel myself getting turned-on. And when she handed its big, rotating, cock-like body to me my palms were sweating. As the head rotated in my hands I knew I just had to get it, but I also knew I'd be far too shy to visit a sex shop. Luckily the party had a sex quiz with the vibe as a prize – and I won! I practically ran home, my cunt dribbling to see this beauty in action.

I switched off my BlackBerry, mobile, Internet and landline and ran myself a hot, soapy bath to prepare my senses for my new toy. Slipping in, I was instantly turned on by the warmth of the silky, bubbly water. I dipped

cried out loud in shock.

I needed to see myself and moved to the other side of the bed, opposite my mirror. My legs were wide open and my pussy was pulsating with excitement. I was shaved so I had a perfect view beneath my auburn, trimmed bush. My nipples were as hard as marbles and my clit stood firm waiting for another fix. I turned on the main beads, embedded in the cock's middle.

I put it into my mouth to get a feel of what my pussy was about to get. I sucked hard on it and pushed it deep into my throat. No wonder the women who use these things look so happy! My impatient cunt drew my hands back down and I eased the cock in. The sensation was intense and the moment I switched on the ears I exploded! Blood rushed around my body like I'd never known and my senses exploded!

I looked at myself in the mirror and watched cum gush out of my pussy, soaking my hands and making me scream like Janet Leigh! I fell back down onto the bed, grasping my pussy as juice trickled over my fingers. I was scared I was going to pass out! I closed my eyes and let the sensations sweep over me.

I fucked myself so silly that night I had to take the next day off work! Within a few weeks I'd got to know every centimetre of my body and how to work it to perfect orgasm – and each time I managed to last a little longer. As I grew more confident over the following

BOTTLE WANK!

Recently, I went to a party where things got more than a little messy, thanks to the amount of alcohol that was flowing. Someone decided that we play spin-the-bottle and that the other people could choose the forfeit that the two people had to do. The forfeits were decided before the bottle was spun, and soon people were saying more outrageous things.

When someone cheekily said, "Give the other person a handjob!" everyone fell about laughing, but the bottle was still spun. Sure enough, it landed on me and then my eyes scanned the circle hoping it would land on one of the fit girls there. I could hardly disguise my relief when it landed on Anita, who I'd been chatting up all night. I couldn't believe my ears when she immediately looked at me and said briskly, "Can we go in the other room?"

I'm too embarrassed to do it here."

A huge cheer went up in the room as we exited together, and without turning the light on in the study, she began to fumble at my flies. She was actually going through with it! My dick had already gone hard from the excitement, and as her fingers curled around it, I pushed my own jeans to my ankles. I expected her to just wank it a couple of times, but she was soon stroking my balls as she worked up a faster rhythm.

Soon her free hand was holding my shirt up over my stomach, allowing her to circle her tongue around my belly button. There was no way she was going to suck me off, was there? Suddenly, I felt her soft lips connect with the tip of my cock and then the warmth of her open mouth surrounded my shaft. In the dark, I held the back of her head gently as she took my pulsing meat to the back of her throat, and then all the way out again, slowly but repeatedly.

A few shouts came from the other room, calling us back, but I desperately wanted it to continue. Unfortunately, my own prick wasn't prepared to wait and, feeling the cum race through my pole, I whispered, "I'm about to..." Not even able to finish my sentence, I was then flooding her mouth with my spunk, which she swallowed and gulped

down, even taking time to carefully lick me clean while my dick still twitched in pleasure.

"Not a word," she whispered in my ear, to which I could only reply, "That was fucking amazing, thanks." I did keep it to myself, but I reckon the grin that kept appearing at the corners of my mouth gave it away!

Paul, Southend ♣

I felt her soft lips connect with the tip of my cock and then the warmth of her open mouth on my shaft"

months I began to wank pretty much everywhere, with everything and in front of anyone. My confidence was through the roof. Just knowing what I could do for myself was such a huge high.

I've learnt that guys love nothing more than being treated to a solo show of me, my fingers and my gaping pussy... and I've certainly put a few smiles on their faces! After a while even this wasn't enough, so I began to show myself on the Net.

Now the thought of random guys around the world anonymously enjoying their hard cocks as they watch me frig my pussy just gets me ridiculously wet.

I know one day I'll get caught by my new boyfriend who has no idea what I get up to on the Net, but that's half the fun and only adds to the utter thrill of it all. Until then I need to make sure the whole world gets to see my fingers working myself to a juicy, cum-slippery orgasm!

MARINA 

Floats our boats...

1 9-year-old Marina Visconti might well be a sweet natured bit of Russian gorgeousness, but my can she do rude things. Very rude stuff. The mucky Moscovite is obviously blessed with boobs, which is why she's popped up in loads of titfuck films, but she also specialises in anal, DP, interracial, A2M. Yup, this girl.

"I'm happy exploring my sexuality up on screen for you to wank to," says the girl who made her debut just after turning 18. "Everybody gets some pleasure – I get fucked by all these big dicks while you get to stroke yours. I wish you could all cum on me and make me so sticky!"

19? God help our dicks... ♣

BAILEY 

The new Bailey...

Fresh-faced 20-year-old Bailey is pretty new to modelling, but we think you'll agree with us that she's definitely got off to a sweet start.

"I was so nervous for this shoot," she tells us, "I was shaking at the idea of getting nude in front of a photographer. But once I'd started it just felt really natural."

Well, we'd call you a natural!

"After about 20 minutes all the nerves had gone and I started to feel sexy and the posing became easier. By the end of the shoot my pussy was really wet and I was ready to go again. Stuff I thought I'd never do in front of a camera was going through my mind."

Like what?

"Like doing it with another girl. I think I'm ready for that now, as long as you are."

Well, duh! ♣

ANASTASIA ♣

Russian doll...

Anastasia isn't a full-blooded Russian. She was born in Los Angeles, after all, but she's got roots in the East, although we get a sneaky feeling she chose her modelling name after her favourite Disney film. "Busted!" she giggles. "I did love that movie. Now, can we talk about Kirsten Dunst?"

Yes we can. The voice of *Anastasia* has long been one of our favourite starlets, about whom we harbour many fantasies.

"Me too, is that wrong? After all, she's the voice of a cartoon? She's also the girl I'm most gay for!"

Dear god, Anastasia, the thought of you and The Dunst is enough to thaw out Siberia! ♣
